Dear Mr. Saric,

On behalf of Georgia-Pacific LLC, this email transmits the revised Area 4 SRI/FS Work Plan and Response to Comments (RTC) documents for federal and state review.

The Area 4 SRI/FS Work Plan and RTC documents have been posted on an FTP site, and can be accessed using the instructions near the bottom of this email. Please note that, due to file sizes, the document has been uploaded as multiple PDF files. The work plan text, tables, figures, appendices, proposed schedule, and response to comment documents have been uploaded as separate files in order to facilitate successful download. Please note that the FTP site is best accessed from Windows Explorer and not an internet browser.

Hard and electronic copies of the report are being sent out via overnight courier for delivery by Monday to the distribution list indicated on the cover letter.

Please contact Chase Fortenberry with any questions you may have concerning the Area 4 SRI/FS Work Plan.

Regards,

Garret E. Bondy, PE
